

Simple Financing Solutions / First Option Capital

First Option Capital provides businesses of all types and sizes with simple ease of use financing solutions to meet all your auction equipment acquisition needs.

Quick approval decisions: Experience a fast efficient approval process, with decisions often made within hours, ensuring a streamlined financing experience.

Application-Only Option: Benefit from application-only financing for amounts up to \$300,000, simplifying the process and reducing paperwork.

Benefits of Equipment Financing Include

- Improved cash flow management
- Conserve Working Capital
- Bank lines are preserved / No exposure to personal credit
- Flexibility / Budget Friendly
- Low fixed monthly payments / 12–60-month terms available

Initially, a 5-minute Q&A call with First Option can initially determine if customers will qualify for the financing, without initially needing to fill out any credit information.

To inquire about financing and receive approximate monthly payment terms please contact:
